Let us help you...

Create a Safe and Inclusive School Environment

Maximize Student Academic Performance and Progress

Develop a Culture of Collaboration and Engagement

Creating Safe and Inclusive Urban Schools

Positive Conflict Management (PCM) Associates

PCM is unique...

- ◆ Down-to-earth effective skills
- ◆ Interactive experiential learning
- ◆ Focus on urban schools
- ◆ Outstanding facilitators
- ◆ Customized workshops

Administrators, teachers, staff, parents, and students rave about our workshops!

What our clients say...

When I became a NYC principal and considered the professional development needs of my staff, PCM Associates was my first phone call...Sue's high energy presentations and enthusiasm for helping teachers made her a huge hither experience as a Dean of Discipline gives her a high degree of credibility...I wish I could have her working with me every day!"

Tim Gannon, Principal
Port Richmond High School
Staten Island, New York

Ms. Collins has assembled a group of outstanding associates who have the knowledge, expertise and enthusiasm to work closely with me and my staff to provide customized student workshops and PD that aligns with our CEP.

Amote Sias, Principal
Brooklyn Collegiate
Brooklyn, New York
